7. Policy Position Statements

7.1 Child Protection Policy

Every person and organisation bound by this policy must always place the safety and welfare of children above all other considerations.

Powerlifting Australia Ltd acknowledges that our staff and volunteers provide a valuable contribution to the positive experiences of our juniors. Powerlifting Australia Ltd aims to ensure this continues and to

protect the safety and welfare of its junior participants. Several measures will be used to achieve this such as:

- Prohibiting any form of abuse against children;
- Providing opportunities for our juniors to contribute to and provide feedback on our program development;
- Carefully selecting and screening people whose role requires them to work with children. (Screening procedures are outlined in Part B of this policy);
- Ensuring our codes of conduct, particularly for roles associated with junior sport, are promoted, enforced and reviewed;
- Providing procedures for raising concerns or complaints (our complaints procedure is outlined in Part C of this policy); and
- Providing education and/or information to those involved in our sport on child abuse and child protection.

Powerlifting Australia Ltd requires that any child who is abused or anyone who reasonably suspects that a child has been or is being abused by someone within our sport, to report it immediately to the police or relevant government agency and MPIO. Descriptions of the sorts of activity which may be abuse are in the Dictionary at clause 11.

All allegations of child abuse will be dealt with promptly, seriously, sensitively and confidentially. A person will not be victimised for reporting an allegation of child abuse and the privacy of all persons concerned will be respected. Our procedures for handling allegations of child abuse are outlined in Part B of this policy.

If anyone bound by this policy reasonably suspects that a child is being abused by his or her parent/s, they are advised to contact the relevant government department for youth, family and community services in their state/territory.

7.2 Anti-Discrimination and Harassment Policy

Powerlifting Australia Ltd aims to provide a sport environment where all those involved in its activities are treated with dignity and respect, and without harassment or discrimination.

Powerlifting Australia Ltd recognises that all those involved in its activities cannot enjoy themselves, perform to their best, or be effective or fully productive if they are being treated unfairly, discriminated against or harassed because of their sex, marital status, pregnancy, parental status, race, age, disability, homosexuality, sexuality, transgender, religion, political belief and/or industrial activity.

Powerlifting Australia Ltd prohibits all forms of harassment and discrimination not only because it is against the law, but because it is extremely distressing, offensive, humiliating and/or threatening and creates an uncomfortable and unpleasant environment.

Descriptions of some of the types of behaviour which could be regarded as harassment or discrimination are provided in the Dictionary at clause 11.

If any person feels they are being harassed or discriminated against by another person or organisation bound by this policy, please refer to our complaints procedure outlined in Part C of this policy. This will explain what to do about the behaviour and how the Powerlifting Australia Ltd .will deal with the problem.

7.3 Sexual Relationships Policy

Powerlifting Australia Ltd takes the position that sexual relationships between coaches and the adult athletes that they coach should be avoided unless the two people are in a relationship and both consent to the association. Powerlifting Australia Ltd takes the view that such relationships while not necessarily constituting unlawful harassment, can have harmful effects on the individual athlete involved, on other athletes and coaches, and on the sport's public image. Such relationships tend to be intentionally or unintentionally exploitative because there is usually a disparity between coaches and athletes in terms of authority, power, maturity, status and dependence. Powerlifting Australia's policy position is similar to other organisations who disallow professionals such as teachers, doctors and counsellors to have sexual relationships with their clients or students.

Should a sexual relationship develop between an athlete and coach, Powerlifting Australia Ltd may investigate whether any action against the coach is necessary. Factors that may be relevant to consider are the age and maturity of the athlete relative to the coach, the financial or emotional dependence of the athlete on the coach, and the likelihood of the relationship having any adverse impact on the athlete and/or other athletes. If it is determined that the sexual relationship is inappropriate, action may be taken to stop the coaching relationship with the athlete. Action may include transfer, a request for resignation or dismissal from coaching duties.

In the event that an athlete attempts to initiate an intimate sexual relationship, the coach must take personal responsibility for discouraging such approaches, explaining the ethical basis for such action. The coach may wish to approach the Powerlifting Australia MPIO or complaints officer if they feel harassed.

The law is always the minimum standard for behaviour within Powerlifting Australia Ltd and therefore sex with a child is a criminal offence.

8. Complaints Procedures

8.1 Complaints

Powerlifting Australia Ltd aims to provide an easy to use, confidential and trustworthy procedure for complaints based on the principles of natural justice. Any person may report a complaint (complainant) about a person/s or organisation bound by this policy if they reasonably believe that a person/s or a sporting organisation has breached this policy. A complaint should be reported to the MPIO, Complaints Manager, or Executive Director of Powerlifting Australia.

A complaint may be reported as an informal or formal complaint. The complainant decides whether the complaint will be dealt with informally or formally unless the MPIO, Complaints Manager, or Executive Director of Powerlifting Australia considers that the complaint falls outside the parameters of this policy and would be better dealt with another way. All complaints will be dealt with promptly, seriously, sensitively and confidentially. Our complaint procedures are outlined in Part C of this policy.

8.2 Complaints

8.2 Vexatious Complaints & Victimisation

Powerlifting Australia Ltd aims to ensure our complaints procedure has integrity and is free of unfair repercussions or victimisation. If at any point in the complaint process the MPIO, Complaints Manager, or Executive Director of Powerlifting Australia considers that a complainant has **knowingly** made an untrue complaint or the complaint is vexatious or malicious, the matter may be referred to the Powerlifting Australia Board of Directors for appropriate action which may include disciplinary action against the complainant.

Powerlifting Australia Ltd will also take all necessary steps to make sure that people involved in a complaint are not victimised by anyone for coming forward with a complaint or for helping to sort it out. Disciplinary measures will be imposed on anyone who victimises another person for making a complaint.

8.3 Mediation

Powerlifting Australia Ltd aims to sort out complaints with the minimum of fuss wherever possible. In many cases, complaints can be sorted out by agreement between the people involved with no need for disciplinary action. The people involved in a formal complaint - the complainant and the person complained about (respondent) - may also seek the assistance of a neutral third person or a mediator. Lawyers are able to negotiate on behalf of the complainant and/or respondent.

Mediation may occur either before or after an investigation of a complaint. If a complainant wishes to try and resolve the complaint with the assistance of a mediator, the MPIO / other designated person will, in consultation with the complainant, arrange for a mediator to mediate the complaint. More information on the mediation process is outlined in attachment Part C of this policy.

8.4 Tribunals

A hearings tribunal may be formed to hear a formal complaint that has been referred by Executive Director of Powerlifting Australia or an alleged breach of the policy. Our tribunal hearings procedure is outlined in Part C of this policy.

A respondent may lodge one appeal only to the appeal tribunal in respect of a decision of a hearing tribunal. The decision of the appeal tribunal is final and binding on the people involved to the appeal. Our appeals process is outlined in Part C of this policy.

Every organisation bound by this policy will recognise and enforce any decision made, and form of discipline imposed, by an appeals tribunal under this policy.

Members of hearing and appeal tribunals will be indemnified by the organisation that appointed them against any claim for loss, compensation or damages, and for costs incurred defending a claim made against them, because of their function as a member of a hearings or appeals tribunal.

10. Forms of Discipline

If an individual or organisation to which this policy applies breaches this policy, one or more forms of discipline may be imposed. These may include making a verbal or written apology, paying a fine, being suspended or de-registered or having a person's appointment or employment terminated. More information on the range of disciplinary measures and the factors that will be considered before imposing discipline is at Part C of this policy.

11. Dictionary

This Dictionary sets out the meaning of words used in this policy and its attachments without limiting the ordinary and natural meaning of the words. State/Territory specific definitions and more detail on some of the words in this dictionary can be sourced from the relevant State/Territory child protection commissions or equal opportunity and anti-discrimination commissions.

Abuse is a form of harassment and includes physical abuse, emotional abuse, sexual abuse, neglect, and abuse of power. Examples of abusive behaviour include bullying, humiliation, verbal abuse and insults.

Affiliated club means state branches of Powerlifting Australia

Child means a person who is under the age of 18 years (see also definition of young person)

Child abuse relates to children at risk of harm (usually by adults, sometimes by other children) and often by those they know and trust. It can take many forms. Children may be harmed by both verbal and physical actions and by people failing to provide them with basic care. Child abuse may include:

- Physical abuse by hurting a child or a child's development (e.g. hitting, shaking or other physical harm; giving a child alcohol or drugs; giving bad nutritional advice; or training that exceeds the child's development or maturity).
- Sexual abuse by adults or other children where a child is encouraged or forced to watch or engage in sexual activity or where a child is subject to any other inappropriate conduct of a sexual nature (e.g. sexual intercourse, masturbation, oral sex, pornography including child pornography or inappropriate touching or conversations).
- Emotional abuse by ill-treating a child (e.g. humiliation, taunting, sarcasm, yelling, negative criticism, name calling, ignoring or placing unrealistic expectations on a child).
- Neglect (e.g. failing to give food, water, shelter or clothing or to protect a child from danger or foreseeable risk of harm or injury).

Complaint means a complaint made under clause 8 of this policy.

Complainant means the person making a complaint.

Discrimination means treating or proposing to treat a person less favourably than someone else in certain areas of public life on the basis of an attribute or personal characteristic they have. The relevant attributes or characteristics are:

- Age;
- Disability;
- Marital status;
- Parental/carer status;
- Physical features;
- Political belief/activity;

- Pregnancy;
- Race;
- Religious belief/activity;
- Sex or gender;
- Sexual orientation;
- Trade union membership/activity;
- Transgender orientation.

Some States and Territories include additional characteristics.

Discrimination is not permitted in the areas of employment (including volunteer and unpaid employment); the provision of goods and services; the selection or otherwise of any person for competition or a team (domestic or international); the entry or otherwise of any player or other person to any competition; obtaining or retaining membership of an organisation (including the rights and privileges of membership).

Requesting, assisting, instructing, inducing or encouraging another person to engage in discrimination may also be discriminatory conduct.

Discrimination may be direct or indirect. **Direct discrimination** is treating, or proposing to treat someone less favourably because of a characteristic (such as race, sex, age etc), in the same or similar circumstances. **Indirect discrimination** is imposing or intending to impose a requirement, condition or practice that is the same for everyone but which has an unequal or disproportionate effect on particular individuals or groups.

Harassment is any type of behaviour that the other person does not want and does not return and that is offensive, abusive, belittling or threatening. The behaviour is unwelcome and of a type that a reasonable person would recognise as being unwelcome and likely to cause the recipient to feel offended, humiliated or intimidated.

Unlawful harassment includes the above but is either sexual or targets a person because of their race, sex, pregnancy, marital status, sexuality or other characteristic (see characteristic list under discrimination).

Whether or not the behaviour is harassment is determined from the point of view of the person receiving the harassment. The basic rule is if someone else finds it harassing then it could be harassment. Harassment may be a single incident or repeated. It may be explicit or implicit, verbal or non-verbal.

Junior means a person under the age of eighteen (18) years who is participating in an activity of the Powerlifting

Mediator means a person appointed to mediate complaints made under this policy. It is preferable that the mediator has relevant skills, qualifications and/or training in mediation.

Member means a member of Powerlifting Australia

Member protection is a term used by the Australian sport industry to describe the practices and procedures that protect members – both individual members such as players, coaches and officials, and the member organisations such as clubs, state associations, other affiliated associations and the national body. Member protection involves:

- protecting those that are involved in sport activities from harassment, abuse, discrimination and other forms of inappropriate behaviour
- adopting appropriate measures to ensure the right people are involved in an organisation, particularly in relation to those involved with juniors, and
- providing education.

Member Protection Information Officer (MPIO) means a person trained to be the first point of contact for a person reporting a complaint under, or a breach of, this policy. The MPIO provides

confidential information and moral support to the person with the concern or who is alleging harassment or a breach of this policy. They help the complainant deal with any emotions they may have about what has happened and operate as a sounding board as the complainant decides what they want to do. The MPIO may accompany the complainant in anything they decide to do, if it feels appropriate and they are happy to do it.

Natural justice incorporates the following principles:

- a person who is the subject of a complaint must be fully informed of the allegations against them
- a person who is the subject of a complaint must be given full opportunity to respond to the allegations and raise any matters in their own defence
- all parties need to be heard and all relevant submissions considered
- irrelevant matters should not be taken into account
- no person may judge their own case
- the decision maker/s must be unbiased, fair and just
- the penalties imposed must not outweigh the 'crime'

Police check means a national criminal history record check conducted as a prudent pre-employment or pre-engagement background check on a person.

Policy and this policy mean this Member Protection Policy.

Respondent means the person who is being complained about.

Role-specific codes of conduct means standards of conduct required of certain roles (e.g. coaches).

Sexual harassment means unwanted, unwelcome or uninvited behaviour of a sexual nature which makes a person feel humiliated, intimidated or offended. Sexual harassment can take many different forms and may include unwanted physical contact, verbal comments, jokes, propositions, display of pornographic or offensive material or other behaviour that creates a sexually hostile environment. Sexual harassment is not behaviour based on mutual attraction, friendship and respect. If the interaction is between consenting adults, it is not sexual harassment.

Sexual offence means a criminal offence involving sexual activity or acts of indecency including but not limited to (due to differences under state/territory legislation):

- Rape
- Indecent assault
- Sexual assault
- Assault with intent to have sexual intercourse
- Incest
- Sexual penetration of child under the age of 16
- Indecent act with child under the age of 16
- Sexual relationship with child under the age of 16
- Sexual offences against people with impaired mental functioning
- Abduction and detention
- Procuring sexual penetration by threats or fraud
- Procuring sexual penetration of child under the age of 16
- Bestiality
- Soliciting acts of sexual penetration or indecent acts
- Promoting or engaging in acts of child prostitution
- Obtaining benefits from child prostitution
- Possession of child pornography
- Publishing child pornography and indecent articles.

Victimisation means subjecting a person or threatening to subject a person to any detriment or unfair treatment because that person has or intends to pursue their rights to make a complaint under

government legislation (e.g. anti-discrimination) or under this policy, or for supporting another person to make a complaint.

Vilification involves a person or organisation doing public acts to incite hatred towards, serious contempt for, or severe ridicule of a person or group of persons having any of the attributes or characteristics within the meaning of discrimination. Public acts that may amount to vilification include any form of communication to the public and any conduct observable by the public.

Young People/person means people in the 13 – 18 year age group.

PART B: POWERLIFTING AUSTRALIA LTD CHILD PROTECTION REQUIREMENTS

Background

Child Protection is about keeping children safe from abuse and protecting them from people who are unsuitable to work with children. Child abuse is illegal in all states and territories of Australia, with each having their own child protection laws that cover the reporting and investigation of cases of child abuse.

In New South Wales, Queensland and Western Australia child protection legislation places specific requirements upon individuals and organisations involved in a range of areas including sport and recreation. The Victorian, South Australian, Northern Territory and Tasmania governments are currently developing child protection legislation that will also impact upon sport. We will add these new requirements or any amendments to existing requirements to our Member Protection Policy as they are introduced.

Please be aware that state and territory child protection requirements also apply to individuals and organisations originating outside of the states with the legislation in place. For example, if one of our state associations or affiliated clubs takes junior players into New South Wales for training camps, competition or other activities, those traveling with the teams must comply with the NSW legislative requirements.

As part of Powerlifting Australia Ltd's commitment to protecting the safety and welfare of children and young people involved in Powerlifting Australia Ltd activities, Powerlifting Australia Ltd requires the following measures to be met:

- Provide opportunities for juniors to contribute to and provide feedback on program development;
- Provide education and/or information on child abuse and child protection to those involved in our sport such as coaches, juniors, parents and officials; and meet the requirements outlined in B1, B2, B3

Attachment B1: QUEENSLAND CHILD PROTECTION REQUIREMENTS

This information is subject to change at any time. Refer to the Queensland Commission for Children and Young People and Child Guardian's website: www.ccypcg.qld.gov.au or contact 1800 113611. This information was updated on 1 June 2005.

In Queensland the Commission for Children and Young People and Child Guardian Act 2000 requires people who work with children under 18 years of age in certain categories of paid or voluntary employment or those who operate child-related businesses, to undergo a Working with Children Check. The Working with Children Check is a comprehensive assessment of a person's suitability to work with children based on their criminal history and certain professional disciplinary information, if any. Those found suitable to work with children and young people are issued with a suitability card, or blue card. The blue card must be renewed every two years.

Association/club requirements

QLD State Association and affiliated clubs are responsible for applying to the Queensland Commission for Children and Young People and Child Guardian (CCYPCG) for Working With Children Checks on employees and volunteers who work with children or young people. People carrying on a regulated business are responsible for applying for their own Working with Children Check. These requirements apply despite the existence or absence of our member protection policy.

All our volunteers and certain paid employees that work with children or young people in the following categories of employment must apply for a blue card:

- *schools - employees other than teachers including non-teaching staff
- private teaching, coaching or tutoring
- *education programs conducted outside of schools
- sport and active recreation

(Note that categories of employment not relevant to the activities of Powerlifting Australia Ltd have not been listed above.)

Categories marked with * are retrospectively screened. This means all people who work in these categories of employment must hold a blue card regardless of when they started work. Application forms for us to apply for a suitability notice for a paid employee, volunteer or person carrying on a regulated business can be downloaded from www.ccypcg.qld.gov.au. Screening for volunteers is free and for paid employees and people carrying on a regulated business is \$40.00. The fee is to be paid by the individual.

1. Employees who work, or are likely to work, with children and young people for at least:
 - eight consecutive days, or
 - once a week, each week, over four weeks, or
 - once a fortnight, each fortnight, over eight weeks, or
 - once a month, each month over six months
 - must undergo a criminal history check.

Paid employees can begin or continue to work in regulated employment while waiting for the outcome of their blue card application.

People working in regulated employment, which is 'one-off' or on a short-term basis (where the duration of their employment is less than that listed above) are not required to undergo a criminal history check.

If Powerlifting Australia Ltd knows or reasonably suspects that an employee who is not retrospectively checked has a criminal history relevant to the working with children or young people, the Powerlifting Australia Ltd can apply for a blue card for that person. The application form for this is a 'Current Employee blue card application form'.

Recent amendments to the Act require Powerlifting Australia Ltd to develop and implement a risk management strategy to promote the well-being of children in their care and protect them from harm.

The strategy caters for the following types of employees:

- A person who has started work pending the outcome of their blue card application
 - A blue card holder
 - A person in regulated employment who is not required to hold a blue card, and
 - A person who the Commissioner is reassessing.
2. Volunteers working with children in our association/club must have a criminal history check. Application forms for us to apply for a suitability notice for a volunteer can also be downloaded from www.cypcg.qld.gov.au. Screening for volunteers is free.

Exemptions

The following people are exempt from the Working with Children Check:

- children under 18 who are volunteers (except students required to work in regulated employment as part of their studies with Powerlifting Australia Ltd)
- parents who volunteer their services or conduct activities through Powerlifting Australia Ltd or are involved in sport and active recreation activities where their child is also a member of Powerlifting Australia Ltd.

(Only exemptions relevant to the activities of Powerlifting Australia have been listed above.)

3. **Businesses:** A person carrying on the following regulated businesses within Powerlifting Australia Ltd must also apply for a blue card:
- [private teaching, coaching or tutoring](#)
 - [education programs conducted outside of schools](#)
 - providers of recreational activities such as sporting camps and programs (excluding [amusement parks](#))

(Only the regulated business which conduct activities of relevance to Powerlifting Australia Ltd have been listed above.)

Attachment B2: NEW SOUTH WALES REQUIREMENTS FOR CHECKING PEOPLE TO WORK WITH CHILDREN

This information is subject to change at any time. Refer to the NSW Commission for Children and Young People website: www.kids.nsw.gov.au or contact 02 9286 7219.

All NSW clubs and associations who engage/employ people in child-related activities (in a paid or voluntary capacity) must meet the requirements of the Working With Children Check. This is a legal requirement. We are required to:

1. Register with the NSW Department of Sport and Recreation Employment Screening Unit;
2. Identify positions (paid and voluntary) which are ***child-related positions***;
3. Obtain a Prohibited Employment Declaration (PED) from all existing employees in child-related positions. PED forms can be downloaded from www.kids.nsw.gov.au/check/resources.html. If the person is a ***prohibited person*** we must remove him/her from the child-related employment;
4. Keep the PED in a secure place for as long as the person is employed;
5. Ask preferred applicants for paid child-related positions to sign a Consent Form for a background check;
6. Include advice about the Working With Children Check in information being provided about child-related positions (e.g. coach of junior team);
7. Request a background check for preferred applicants for paid child-related employment before they start work;
8. Decide whether to offer the applicant the position, taking into account the result of the Working With Children Check and any other information we have available;
9. Where it is not practical to complete the background check prior to employment commencing, we must still complete the check as soon as possible. We must advise employees that their ongoing employment is conditional upon the satisfactory outcome of the check;
10. Notify the NSW Commission for Children and Young People of any person whose application for child-related employment has been rejected primarily because of a risk assessment in the Working With Children Check. We must do this even if we offer the person an alternative position;
11. Advise the person if their application was rejected primarily because of an adverse risk assessment in the Working With Children Check;
12. Notify the NSW Commission for Children and Young People of any person against whom **relevant employment proceedings** have been completed; and
13. Protect the privacy of any person who is checked and the confidentiality of any information obtained through the checking process.

Child-related employment is any work (paid or unpaid) that involves direct and unsupervised contact with children in several types of areas such as sporting clubs and associations that have a significant child membership or involvement.

Employment includes work done:

- under a contract of employment;
- as a sub-contractor;
- as a volunteer for an organisation;
- as a minister of religion (whether or not ordained); and
- undertaking practical training as part of an educational or vocational course

Prohibited person is a person convicted of committing a serious sex offence or a registrable person.

Registrable person is someone who has been found guilty of the following offences against children:

- murder
- sexual offences
- indecency offences
- kidnapping
- child prostitution
- child pornography

Relevant employment proceedings are disciplinary proceedings completed in NSW, or elsewhere, where an employer or professional body that supervises the conduct of the employee has found that 'reportable conduct' or an act of violence occurred, or there is some evidence that it occurred. An act of violence will be relevant only if it was committed by an employee in the course of employment and in the presence of a child.

Reportable conduct is:

- any sexual offence, or sexual misconduct, committed against, with or in the presence of a child (including a child pornography offence);
- any assault, ill treatment or neglect of a child; or
- any behaviour that causes psychological harm to a child.

Attachment B3: WESTERN AUSTRALIA CHILD PROTECTION REQUIREMENTS

This information is subject to change at any time. Refer to the Department of Community Development Website: <http://community.wa.gov.au/> or contact 08 9476 2000. This information will need to be regularly updated. The following is based on information available as at June 2005.

Details of the phasing-in arrangements for different types of child-related work and information regarding what is required and the process for applications will be posted on the Department of Community Services website <http://community.wa.gov.au/Resources/Child+Protection/> in the future. Until this time Powerlifting Australia Ltd will follow the screening process set out in Attachment B4: Child Protection Requirements

From 1 January 2006, certain people working with children in Western Australia will be required to have a national criminal history check – a Working with Children Check. The Working with Children Check will be compulsory under the Working With Children (Criminal Record Checking) Act 2004 which was passed by State Parliament in November 2004.

The Check proposes to screen employees, self-employed persons and volunteers in defined categories of employment. The Check will take into account convictions and charges for serious sexual and violent offences. Assessment will be by a new screening unit within the Office for Children and Youth, of the Department for Community Development. Applicants will be issued with either an ‘assessment notice’ in the form of an ID card which allows that person to work or volunteer with children, or a negative notice. Assessment notices will be valid for three years.

The following groups will not need to have a Working With Children Check:

- volunteers under 18 years
- employers of children, or adult employees who have contact with a child-employee in the workplace (unless they are carrying-out child-related work)
- registered teachers, who require a national criminal record check as part of their registration under the *Western Australian College of Teaching Act 2004*
- parents who volunteer in activities in which their children are also involved.

Working with Children Checks will be phased in over a five year period according to the type of work being carried out. Once the checks begin for particular groups, employees, employers, self-employed people and volunteers working with children will have certain obligations to fulfill.

Attachment B4: CHILD PROTECTION REQUIREMENTS

This attachment sets out the screening process for people who currently occupy or who apply for any work (paid or voluntary) in our association that involves working with people under the age of 18 years

Screening under this policy is not a replacement for any other procedure required by law. If State or Territory legislation sets an equivalent or higher standard of screening, the requirement to screen people under the process outlined below need not be followed.

Association/club requirements

Under Powerlifting Australia Member Protection Policy, our association is required to:

1. Identify positions (paid and voluntary) that involve working with people under the age of 18 years.
2. Obtain a completed Member Protection Declaration or MPD (Attachment B5) from all people who are bound by this policy if they occupy or apply for a position that involves working with people under the age of 18 years. The MPD will be kept in a secure place.

If a MPD is not provided, or it reveals that a person does not satisfactorily meet with one or more of the clauses in the MPD (e.g. has a relevant criminal conviction), Powerlifting Australia will:

- provide an opportunity for the person to respond/provide an explanation, and
- make an assessment as to whether the person may pose a risk to or be unsuitable to work with people under the age of 18 years.

If unsatisfied, then Powerlifting Australia will:

- in the case of an existing employee/volunteer, transfer the person to another role which does not require them to work directly and unsupervised with people under the age of 18 years. If this is not possible, then end the appointment. Note: legal advice should be obtained before the termination process begins.
 - in the case of a someone applying for the position/role, not appoint them.
3. Check a person's referees (verbal or written) and interview a person about his/her suitability for the role and his/her suitability for working with children for both paid and voluntary positions.
 4. Ask people applying for and people who currently occupy a position that involves working with people under the age of 18 years to **sign a consent form** for a national police check. (Information on police checks and forms can be found at www.ausport.gov.au/ethics/policechecks.asp).
 5. Request a national police check from our relevant police jurisdiction for people applying for and people who currently occupy paid or paid and voluntary positions that involves working with people under the age of 18 years

In most police jurisdictions a 'Part Exclusion' check for people working with children can be requested. This check excludes irrelevant records.

If the police check indicates a relevant offence, Powerlifting Australia will:

- provide an opportunity for the person to respond/provide an explanation, and
- make an assessment as to whether the person may pose a risk to or be unsuitable to work with people under the age of 18 years.

If unsatisfied, then Powerlifting Australia will:

- in the case of an existing employee/volunteer, transfer the person to another role which does not require them to work [directly and unsupervised] with people under the age of 18 years. If this is not possible, then end the appointment. **Note: legal advice should be obtained before the termination process begins.**
- in the case of a someone applying for the position/role, not appoint them.

If the person does not agree to a national police check after explaining why it is a requirement, Powerlifting Australia shall make an assessment as to whether the person may pose a risk to or be unsuitable to work with people under the age of 18 years. If unsatisfied, Powerlifting Australia will:

- in the case of an existing employee/volunteer, transfer the person to another role which does not require them to work [directly and unsupervised] with people under the age of 18 years. If this is not possible, then end the appointment. **Note: legal advice should be obtained before the termination process begins.**
- in the case of a someone applying for the position/role, not appoint them.

Decide whether to offer the person the position or retain the person in the position, taking into account the result of the police check and any other information Powerlifting Australia Ltd has available. Where it is not practical to complete the police check prior to employment commencing, Powerlifting Australia Ltd must still complete the check as soon as possible. Powerlifting Australia Ltd will advise the person that their ongoing employment is conditional upon the satisfactory outcome of the check.

7. Where a national police check is obtained under this member protection policy, another organisation which is also required to screen may obtain a copy of the national police check provided that the consent of the relevant person is obtained and the national police check was performed in the immediately preceding two years.
8. Protect the privacy of any person who is checked and the confidentiality of any information obtained through the checking process. Information collected during screening (such as a completed MPD form, police records and referee reports) will be returned to the relevant person if that person is not appointed to/will not remain in the position, or otherwise be destroyed with the consent of the person concerned.

PART C: PROCEDURES

To ensure consistency and that the principles of natural justice are followed in all aspects of handling or conducting complaints, allegations, investigations, tribunals and disciplinary measures, Powerlifting Australia will follow and implement the following procedures:

C1 Complaints Procedure

There are several complaint procedure models around (e.g. from equal opportunity commissions). The model you choose will depend on the size of your organisation, its culture and the resources you have available. If you do not have an existing complaints procedure, you can obtain a model from an equal opportunity commission, ask a similar organisation for a copy of their procedure and adapt it to suit your organisation or adapt the sample procedure at C1. Whatever procedure is adopted, it should contain the following fundamental features:

- Written in easy to understand language and communicated to all members and others to whom your procedures apply to
- Be user-friendly and trusted
- State that complaints will be handled speedily, sensitively, impartially, confidentially and free of unfair repercussions or victimisation
- Provide a range of entry points so that everyone feels comfortable in coming forward
- Set out what steps will be taken and by whom to resolve complaints
- Give those who are supposed to resolve complaints the power and skills to do so
- Allow all parties to the complaint access to additional support as necessary (e.g. counselling, legal representation)
- Set out what sorts of resolutions to expect, consistent with your written member protection and other policies, codes of conduct and beaches of the policy and codes
- Resolutions are consistent throughout the organisation and match the level of the breach
- Ensure that all relevant information is considered and any mitigation factors are considered before a resolution is determined
- Indicate who will keep what records and where
- Provide an internal appeal system and explain where to go externally for further advice or to pursue a complaint when dissatisfied with the internal resolution

C2 Mediation Procedure

C3 Investigation Procedure

C4 Investigation Procedure for allegations of child abuse

C5 Hearings and Appeals Tribunal Procedure

C6 Disciplinary Measures

Attachment C1: COMPLAINTS PROCEDURE

A complaint can be about an act, behaviour, omission, situation or decision that someone thinks is unfair, unjustified, unlawful and/or a breach of this policy. Complaints will always vary. They may be about individual or group behaviour; they may be extremely serious or relatively minor; they may be about a single incident or a series of incidents; and the person about who the allegation is made may admit to the allegations or emphatically deny them.

Given all of the variables that can arise, Powerlifting Australia Ltd provides a step-by-step complaint procedure that people may use/enter at any stage. Individuals and organisations to which this policy applies may also pursue their complaint externally under anti-discrimination, child-protection or other relevant legislation.

If at any point in the complaint process the Executive Director considers that a complainant has knowingly made an untrue complaint or the complaint is vexatious or malicious, the matter will be referred to the hearings tribunal for appropriate action. All complaints will be kept confidential and will not be disclosed to another person without the complainant's consent except if law requires disclosure or if disclosure is necessary to effectively deal with the complaint.

Step 1

As a first step you (the complainant) should try to sort out the problem with the person or people involved if you feel able to do so.

Step 2

If:

- the first step is not possible/reasonable; or
- you are not sure how to handle the problem by yourself; or
- you just want to talk confidentially about the problem with someone and get some more information about what you can do; or
- the problem continues after you tried to approach the person or people involved; then

talk with one of our Member Protection Information Officers (MPIOs). A list of MPIOs is available from the Executive Director.

The MPIO or Executive Director will:

- take notes about your complaint (which the MPIO will keep in a secure and confidential place);
- try to sort out the facts of the problem;
- ask what outcome/how you want the problem resolved and if you need support;
- provide possible options for you to resolve the problem;
- explain how our complaints procedure works;
- act as a support person if you so wish;
- refer you to an appropriate person to help you resolve the problem, if necessary;
- inform the relevant government authorities and/or police if required by law to do so; and
- maintain strict confidentiality.

Step 3

After talking with the MPIO or Executive Director you may decide:

- there is no problem;
- the problem is minor and you do not wish to take the matter forward;
- to try and work out your own resolution (with or without a support person such as a MPIO);
or

- to seek an informal mediated resolution with the help of a third person (such as a mediator or a Manager).

If you wish to remain anonymous, Powerlifting Australia Ltd can't assist you to resolve your complaint. We have to follow the principles of natural justice and be fair to both sides. This means that Powerlifting Australia or you may be required to provide the person/people you have complained about with full details of the complaint so they have a fair chance to respond to all the allegations.

Step 4

If your complaint is not resolved to your satisfaction, you may:

- make a formal complaint in writing to the Executive Director or
- approach a relevant external agency such as an equal opportunity commission, for advice.

Step 5

If you decide to make a formal complaint in writing under Step 4, the Executive Director, on receiving the formal complaint and based on the material you have provided, decide whether:

- they are the most appropriate person to receive and handle the complaint;
- the nature and seriousness of the complaint warrants a formal resolution procedure. Some complaints may be of a minor and/or purely personal nature with no connection to the activities of Powerlifting Australia Ltd. In these cases, the Executive Director may determine that the complaint does not warrant a formal resolution procedure;
- to appoint a person to investigate the complaint;
- to refer the complaint to an informal or formal mediation session;
- to refer the complaint to a hearings tribunal;
- to refer the matter to the police or other appropriate authority; and/or
- to implement any interim administrative or other arrangements that will apply until the complaint process set out in these Procedures is completed.

In making the decision(s) outlined above, the Executive Director will take into account:

- whether they have had any personal involvement in the circumstances giving rise to the complaint and, if so, whether their ability to impartially manage the complaint is compromised or may appear to be compromised;
- whether, due to the nature of the complaint, specific expertise or experience may be required to manage the complaint;
- your wishes, and the wishes of the respondent, regarding the manner in which the complaint should be handled;
- whether, due to the nature of the complaint, the relationship between you and the respondent and any other relevant factors, the complaint should be referred (or should not be referred) to informal or formal mediation or to a hearings tribunal. Relevant factors may include an actual or perceived power imbalance between you and the respondent, the nature of any ongoing working relationship between you and the respondent, and the personal attributes of you and the respondent (for example, if one party does not speak English fluently, some of the possible complaints resolution mechanisms may not be appropriate);
- the nature and sensitivity of any information or other material that must be provided by you, the respondent, and any of the other people involved in the complaint;
- whether the facts of the complaint are in dispute; and
- the urgency of the complaint, including the likelihood and the consequences (if the complaint is ultimately proven) that you will be subject to further unacceptable behaviour while the complaint process set out in these Procedures is being conducted.

If the Executive Director] is the appropriate person to handle the complaint they will, to the extent that these steps are necessary:

- get full information from you (the complainant) about your complaint and how you want it resolved (if this information has not already been obtained through earlier steps);
- put the information they've received from you to the person/people you're complaining about and ask them to provide their side of the story;
- decide whether they have enough information to determine whether the matter alleged in your complaint did or didn't happen; and/or
- determine what, if any, further action to take. This action may include disciplinary action in accordance with Attachment C6, appointing a person to investigate the complaint, referring the complaint to an informal or a formal mediation session or a hearings tribunal and/or referring the complaint to the police or other appropriate authority.

Step 6

If:

- a person is appointed to investigate the complaint under **Step 5**, the investigator will conduct the investigation and provide a written report to the tribunal who will determine what, if any, further action to take. This action may include a direction to the investigator to make further enquiries and obtain additional information, disciplinary action in accordance with Attachment C6, and referring the complaint to an informal or a formal mediation session, a hearings tribunal and/or the police or other appropriate authority;
- the complaint is referred to an informal or a formal mediation session under **Step 5**, the mediation session will be conducted in accordance with Attachment C2 or as otherwise agreed by you and the respondent;
- the complaint is referred to a hearings tribunal under **Step 5**, the hearing will be conducted in accordance with Attachment C5;
- the complaint is referred to the police or other appropriate authority under **Step 5**, Powerlifting Australia will use its best endeavours to provide all reasonable assistance lawfully required by the police or other appropriate authority; and
- interim administrative or other arrangements are implemented under **Step 5**, the [SO] will periodically review these arrangements to ensure that they are effective.

Any costs relating to the complaint process set out in this Policy (e.g. investigation and/or mediation and/or hearings tribunal) are to be met by Powerlifting Australia Ltd unless otherwise stated in the relevant Attachment.]

Step 7

If, under Step 6, an informal or formal mediation session is conducted, and you and the respondent(s) can not reach a mutually acceptable mediated solution to the complaint, you may request that Executive Director reconsider the complaint in accordance with Step 5.

You or the respondent(s) may be entitled to appeal where:

- under **Step 5**, a decision was made by Executive Director:
 - not to take any action; or
 - to take disciplinary action; or
- under **Step 6**, a decision was made by *the tribunal* or a hearings tribunal:

- not to take any action; or
- to take disciplinary action.

The grounds for appeal and the process for appeals under this Policy are set out in Attachment C5.

If the internal complaints processes set out in this Policy do not achieve a satisfactory resolution/outcome for you, or if you believe it would be impossible to get an impartial resolution within Powerlifting Australia, you may choose to approach an external agency such as an equal opportunity commission to assist with a resolution.

Step 8

The Executive Director will document the complaint, the process followed and the outcome. This document will be stored in a confidential and secure place. If the complaint was dealt with at a state/district level, the information will be stored in the state association office. If the matter is of a serious nature, or if the matter was escalated to and/or dealt with at the national level, the original document will be stored at the national office with a copy stored at the state office.

External procedure

There may be a range of external options available to you depending on the nature of your complaint. If you feel that you have been harassed or discriminated against, you can seek advice from your State or Territory equal opportunity commission without being obliged to make a formal complaint. If the commission advises you that the problem appears to be a type of harassment that comes within its jurisdiction, you may then make a decision as to whether or not to lodge a formal complaint with the commission.

Once a complaint is received by an anti-discrimination commission, an investigation will be conducted. If it appears that unlawful harassment or discrimination has occurred, there will usually be an attempt to conciliate the complaint confidentially first. If this fails, or is inappropriate, the complaint may go to a formal hearing where a finding will be made as to whether unlawful harassment or discrimination occurred. The tribunal will decide upon what action, if any, will be taken. This could include financial compensation for such things as distress, lost earnings or medical and counselling expenses incurred.

An anti-discrimination commission can decline to investigate a complaint, or dismiss a complaint at any point in the investigation, conciliation or public hearing stages.

If you do lodge a complaint under anti-discrimination law, you may use an appropriate person (e.g. an MPIO) as a support person throughout the process. It is also common to have a legal representative, particularly at the hearing stage of a complaint.

Attachment C2: MEDIATION

Mediation is a process by which people who are in conflict can be helped to communicate with each other about what is important for them and how to make decisions about resolving their dispute. Mediators provide a supportive atmosphere and method of talking to one another, to assist in sorting out the issues, coming up with acceptable solutions and making mutually satisfactory agreements.

This attachment outlines the general procedure of mediation that will be followed by Powerlifting Australia Ltd

The people involved in a formal complaint (complainant and respondent(s)) may work out their own resolution of the complaint or seek the assistance of a neutral third person or a mediator. Mediation may occur either before or after an investigation of the complaint.

Mediation (getting those involved to come to a joint agreement about how the complaint should be resolved) will only be recommended:

1. After the complainant and respondent have had their chance to tell their version of events Executive Director, MPIO or a Complaints Manager on their own; and
2. Executive Director, MPIO or a Complaints Manager does not believe that any of the allegations warrant any form of disciplinary action - proven serious allegations will not be mediated, no matter what the complainant desires; and
3. Mediation looks like it will work (i.e. the versions given by the complainant and respondent tally or almost tally and/or at the very least, it looks as though it will be possible for each party to understand the other party's point of view).
4. Mediation will not be recommended if:
 - a. The respondent has a completely different version of the events and they won't deviate from these;
 - b. The complainant or respondent are unwilling to attempt mediation; or
 - c. Due to the nature of the complaint, the relationship between you and the respondent(s) and any other relevant factors, the complaint is not suitable for mediation.
5. If mediation is chosen to try and resolve the complaint, the Executive Director or MPIO, in consultation with the complainant and the respondent(s), arrange for a mediator to mediate the complaint.
6. The MPIO will notify the respondent(s) that a formal complaint has been made, provide them with details of the complaint and notify them Powerlifting Australia Ltd has decided to refer the matter to mediation to resolve the complaint.
7. The mediator's role is to assist the complainant and respondent(s) reach an agreement on how to resolve the problem. The mediator, in consultation with the complainant and respondent(s), will choose the procedures to be followed during the mediation. At a minimum, an agenda of issues for discussion will be prepared by the mediator.
8. The mediation will be conducted confidentially and without prejudice to the rights of the complainant and the respondent(s) to pursue an alternative process if the complaint is not resolved.
9. At the end of a successful mediation the mediator will prepare a document that sets out the agreement reached between the complainant and respondent(s) and it will be signed by them as their agreement.
10. If the formal complaint is not resolved by mediation, the complainant may:
 - a. Write to Executive Director to request that the Executive Director reconsider the complaint in accordance with Step 5; or
 - b. Approach an external agency such as an anti-discrimination commission.

Attachment C3: INVESTIGATION PROCESS

If an investigation needs to be conducted the following steps are to be followed:

1. A written brief will be provided to the investigator to ensure the terms of engagement and scope of the investigator's role and responsibilities are clear.
2. The complainant will be interviewed and the complaint documented in writing.
3. The details of the complaint will be conveyed to the person/people complained about (respondent(s)) in full. The respondent(s) must be given sufficient information to enable them to properly respond to the complaint.
4. The respondent(s) will be interviewed and given the opportunity to respond. The respondent(s) response to the complaint will be documented in writing.
5. If there is a dispute over the facts, then statements from witnesses and other relevant evidence will be obtained to assist in a determination.
6. The investigator will make a finding as to whether the complaint is:
 - a. substantiated (there is sufficient evidence to support the complaint);
 - b. inconclusive (there is insufficient evidence either way);
 - c. unsubstantiated (there is sufficient evidence to show that the complaint is unfounded); and/or
 - d. mischievous, vexatious or knowingly untrue.
7. A report documenting the complaint, investigation process, evidence, finding and, if requested, recommendations, will be given to tribunal.
8. A report documenting the complaint and summarising the investigation process and key points that were found to be substantiated, inconclusive, unsubstantiated and/or mischievous will be provided to the complainant and the respondent(s).
9. Both the complainant and the respondent(s) are entitled to support throughout this process from their chosen support person/adviser (e.g. MPIO or other person).
10. The complainant and the respondent(s) may have the right to appeal against any decision based on the investigation. Information on our appeals process is in Attachment [C5].

More detailed information on conducting internal investigations can be found at www.ausport.gov.au/ethics/policy.asp

Attachment C4: INVESTIAGTION PROCEDURE – CHILD ABUSE

An allegation of child abuse is a very serious matter and must be handled with a high degree of sensitivity. The initial response to a complaint that a child has allegedly been abused should be immediate if the incident/s are serious or criminal in nature while less serious/urgent allegations should be actioned as soon as possible, preferably within 24 hours.

The following is a basic outline of the key processes to follow. More information can be obtained from your relevant State or Territory government agency.

Step 1 - Clarify basic details of the allegation

- Any complaints, concerns or allegations of child abuse should be made or referred to MPIO or Executive Director
- The initial response of the person that receives the complaint from the child (or person on behalf of the child) is crucial to the well-being of the child. It is important for the person receiving the information to:
 - Listen to, be supportive and do not dispute what the child says;
 - Reassure the child that what has occurred is not the fault of the child;
 - Ensure the child is safe;
 - Be honest with the child and explain that other people may need to be told in order to stop what is happening; and
 - Ensure that what the child says is quite clear but do not elicit detailed information about the abuse. You should avoid suggestive or leading questions.
- The person receiving the complaint should obtain and clarify basic details (if possible) such as:
 - Child's name, age and address;
 - Person's reason for suspecting abuse (observation, injury or other); and
 - Names and contact details of all people involved, including witnesses.

Step 2 – Report allegations of a serious or criminal nature

- Any individual or organisation to which this policy applies, should immediately report any incident of a serious or a criminal nature to the police and other appropriate authority.
- If the allegation involves a child at risk of harm, the incident should immediately be reported to the police or other appropriate government agency. You may need to report to both the police and the relevant government agency.
- The relevant State or Territory authority should be contacted for advice if there is any doubt about whether the complaint should be reported.
- If the child's parent/s are suspected of committing the abuse, report the allegation to the relevant government agency.

Step 3 – Protect the child

- The MPIO or Executive Director should assess the risks and take interim action to ensure the child's/children's safety. Some options could include redeployment of the alleged offender to a non-child related position, supervision of the alleged offender or removal/suspension from their duties until the allegations are finally determined.
- The MPIO or Executive Director should also address the support needs of the person against whom the complaint is made. Supervision of the person should ideally occur with the knowledge of the person. If stood down, it should be made clear to all parties that are aware of the incident that this does not mean the person is guilty and a proper investigation still needs to be undertaken.

Step 4 – Further clarify and investigate allegation

For allegations of a serious or criminal nature (for example, sexual abuse):

- Seek advice from the police and relevant government agency as to whether Powerlifting Australia Ltd should carry out its own internal investigation (in addition to any police or relevant government agency investigation).
- If the police and/or relevant government agency advises that it is appropriate, then appoint an independent person (where possible) with appropriate expertise to conduct an investigation. The investigator should:
 - Contact the parents/carers of the child at an appropriate time and as directed by the police or relevant government agency.
 - If appropriate, meet with parents/carers and the child to clarify the incident and offer support on behalf of Powerlifting Australia Ltd if required (example, professional counseling).
 - Meet with the person against whom the allegation refers at an appropriate time and as directed by the relevant authority and give the person an opportunity to explain or respond to the allegation and identify any witnesses and supporting evidence. The person should have an opportunity to invite a support person/adviser to attend at a meeting and should be offered support (example, professional counselling) if necessary.
 - Obtain a signed statement and record of interview from the person.
 - Make contact with any witnesses and obtain written and signed statements outlining details of the allegation (what happened, when, how). This should only occur following advice from the relevant authority.
 - Obtain other information that could assist in making a decision on the allegation.
 - The information collected during the investigation should be made available to the relevant authorities.
 - Strict confidentiality, impartiality, fairness and due process must be maintained at all times.

For allegations of a less serious nature (e.g. verbal abuse):

- Where possible, appoint an independent person with appropriate expertise to make contact and meet with each of the people involved to obtain details of the allegation.
- The investigator should follow the procedure set out in Attachment [C3].
- Strict confidentiality, impartiality, fairness and due process must be maintained at all times.

Step 5 – Record and analyse all information

- If an internal investigation was conducted under Step 4, the investigator will provide a report to tribunal.
- The decision-maker(s) will be the tribunal of Powerlifting Australia Ltd and will remain separate and at arm's length from the investigator.
- The tribunal will consider all the information and determine a finding. It will also recommend action and its rationale for the action.

Step 6 – Undertake disciplinary action

- For incidents of a serious or criminal nature, consideration must be given to the findings of the police and/or the government agency before making a decision on disciplinary proceedings.
- If disciplinary action is to be taken, follow the procedures outlined in Attachment [C6] of the policy.
- Implement any disciplinary decision recommended by tribunal. The action should be immediate.
- Check with the relevant state government authority to see if you need to forward a report (e.g. the NSW Commission for Children and Young People requires notification of relevant employment proceedings).
- Complete the report form in Part E of this policy. Retain the original in a secure place and forward a copy to the Executive Director of Powerlifting Australia

Attachment C5: HEARINGS & APPEALS TRIBUNAL PROCEDURE

The following Tribunal Hearing Procedure will be followed by hearings tribunals established by Powerlifting Australia Ltd

Tribunal Formation and Notification

1. A Tribunal Panel will be constituted following the rules outlined in Powerlifting Australia's Constitution, to hear a complaint that has been referred to it by the Executive Director or Complaints Manager.
